

ANNOUNCEMENT

XX ULTRA MARATÓN DE LOS CAÑONES 2016

63K

The "Ultra Maratón de los Cañones" is a unique experience and one of the best in its kind, this race gives a physical and mental challenge into Sinforosa called the "queen of canyons", with a 35km down into the canyon at 1,450 meters. above sea level. This marathon provides a great chance by running with the "Rarámuris", better known as "Pies Ligeros" whom legendary have traveled these lands on foot. The views of the landscape across the race route are wonderful, so better bring your camera to take the better pictures of these amazing places. This canyon is located 17km away from Guachochi.

B A S E S

1. PLACE AND DATE:

Saturday July 15th 2017.

2. Start and finish lane

Plaza la Esperanza Guachochi, Chih. (Guachochi downtown) at 2,450msnm. (5:00 a.m.)

3. ROUTE 63 KM:

The race starts at Guachochi downtown across rural roads and after 17km in a point called "la Cumbrecita" the route begins to turn down into the canyon in a narrow trail using ladders build by the "Rarámuri" people. At the bottom of the canyon you will find a big river called "rio verde" and following the river course until "Rio Guachochi" (km. 39) at this point starts the 8km rising across canyon until "Cumbre de Sinforosa" at 47km, and then the route continues to the finish line in Guachochi downtown.
